

GOVERNMENT OF ANDHRA PRADESH
ABSTRACT

Health Systems Strengthening – Effective functioning of health care Programmes under one umbrella – Bringing of health care providing units functioning from the premises of Health facilities of APVVP under the functional and supervisory control of the Superintendents of A.P.Vaidya Vidhana Parishad Hospitals – Orders – Issued.

HEALTH MEDICAL & FAMILY WELFARE (C1) DEPARTMENT

G.O.Ms.No.84

Dated.15-05-2014
Read the following :

From the Commissioner, APVVP, Lrs .Rc.No.1374/Plg./2013,
Dt. 10.10.2013 and 12.03.2014

-oSo-

ORDER:

The Health, Medical and Family Welfare (HM&FW) Department is responsible, amongst several other tasks, for providing qualitative health and medical care services to the public through the existing system of health care facilities that include those under primary, secondary and tertiary care under the administrative control of Directorate of Public Health and Family Welfare (DPH & FW , AP Vaidya Vidhana Parishad (APVVP); and Directorate of Medical education (DME) respectively.

2. As per the system in vogue, various health units belonging to other Head of the Departments such as Director of Public Health & Family Welfare, A.P. State AIDS Control Society , NRHM are operating from the hospital premises belonging to APVVP. The main intention and purpose of this arrangement is to facilitate these health units to discharge their functional responsibility of rendering related health care services with efficiency and effectiveness as per the needs of the concerned A.P.Vaidya Vidhana Parishad Hospitals and based on their relative jurisdiction.

3. The working arrangement of these health units with reference to its efficacy and efficiency vis-à-vis the needs of A.P.Vaidya Vidhana Parishad hospitals/health facilities was discussed in the workshop conducted on 26.09.2013 in the Indian Institute of Health & Family Welfare, Hyderabad, whereupon, the Commissioner, A.P.Vaidya Vidhana Parishad in the reference dt.10-10-2013 read above among others, reported that the Medical Superintendents / Medical Officers of the Hospitals belonging to A.P.Vaidya Vidhana Parishad where these health units are located for the purpose of APVVP needs, are not in a position to utilize the services of human resources available with the above health units as the total control (both technical/functional and administrative) of these units vests with their respective HODs/District Level Officers, implying the absence of jurisdictional control by the Medical Superintendents/Medical Officers of APVVP on day to day administration of these units. Therefore, based on the discussions in the work shop, the Commissioner suggested that all these health units that are being operated and functioning from the A.P.Vaidya Vidhana Parishad hospitals, may be brought under the supervision of the Medical Superintendents / Medical Officers of the respective hospitals of APVVP under a 'single window' system for effective coordination and monitoring of various health programmes that are being implemented, with salary drawing powers delegated to the concerned Medical Superintendent/Medical Officer of A.P.Vaidya Vidhana Parishad.

4. The proposal of the Commissioner has been examined and it has been observed that dispensation of controls with the Head of the Departments / District Level Officers concerned in the instant case has contributed to dilution of main intent and purpose and leading sometimes to improper on sub-optimal utilization of resources. The Government after a careful review of the matter is of the view that functional and operational integration of all the health units with its supervision devolved on the Medical Superintendents, Medical Officers of the APVVP Hospitals is essential to achieve the main intent and purpose and for efficient use of financial and technical resources and effective execution of the functional administrative control responsibilities assigned to these health units.

(p.t.o)

5. Accordingly, Government hereby order for the placement of all the health units with the attached personnel as indicated in the Annexure I that are operating and functioning from the A.P.Vaidya Vidhana Parishad premises for its purposes and currently under the administrative control of the respective HODs / District Level Officers under the supervisory control / functional and administrative control (for purpose of drawal of salary only) of A.P.Vaidya Vidhana Parishad to the extent and for the purpose detailed in Annexure II appended.

6. With regard to administrative control / cadre control, the persons working in the above health units will continue to remain under the overall administrative and disciplinary control of the respective HODs/Officers concerned to which they currently belong for purpose of their current service conditions, seniority and other entitlements.

7. The Commissioner of Health & Family Welfare, MD/NRHM, Director of Public Health & Family Welfare, Director of Medical Education, Project Director, APSACS and the Commissioner of A.P.Vaidya Vidhana Parishad shall take action accordingly.

8. This order issued with concurrence of Fin (Expr. M&H-I) Department vide their U.O.No.2799/144/A1/Exp.M&H-I/14, Dated:25-04-2014.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
